

LIMIAR

Limiar is a delicate entrance to the universe of A Tafona. Each piece is a small key that opens the senses, each stroke has intention and a search for the essential: taste, emotion and memory. The memory of our land.

2025 CASTELAO YEAR

“ If at the break of this day we could fly over our land and travel it in all directions, we would witness the marvel of a unique morning. From the plains of Lugo, filled with birch trees, to the estuaries of Pontevedra, lined with pine forests; from the nourishing mountain ranges of the Miño or the rugged gorge of the Sil, to the bridge of Ourense, where the waters of both rivers intertwine; or from the headlands of the wild coast of A Coruña, where the sea weaves Camariñas lace, to the summit of Mount Santa Tegra, whose shadow stretches over the hills of Portugal—everywhere, a dawn of glory arises. The day of celebration begins in Santiago... ”
